

EXAMPLE ABSTRACT – Important formal issues!

TITLE:

NO CAPITAL LETTERS, unless where absolutely necessary (e.g. acronyms, initialisms, abbreviations, e.g. DNA, WHO, AIDS),
NO period at the end,
NO bold letters or words.

In this sample title, only DNA is in capital letters, it is not bold and there is no period at the end

AUTHOR BLOCK:

CAPITAL letters shall be used **ONLY for the first letters** of given and family names. The remaining word is written in lower case letters.

The first author did the major part of the work. The submission system **automatically** displays the **presenting author** in **bold** (in 2nd position in this example).

Also in the affiliations, use **CAPITAL** letters **ONLY** at the **beginning** of the word, the **remaining** word in **lowercases**. Uppercases **only** where necessary. (e.g. INSERM, MIT, WHO)

The **city** field **must not** include the zip-code.

A maximum of 3 institutions per author is allowed

A. Firstauthor¹, **B. Presenter**¹, C. Coauthor²,

¹Immunology Example Department, Fantasy Hospital, Hypercity, Yourcountry

²Another Department, Hospital or Laboratory, City, Anothercountry

ABSTRACT BODY:

Do not include **title** or **authors**.

Do not use the word "**Abstract**" at the beginning.

Use **LINE BREAKS** **only** at the end of a paragraph.

Ideally the usual structure of a scientific abstract is applied:

- Introduction
- Materials and Methods
- Results
- Conclusions

Please do format words in *italics* only when required by nomenclature (e.g. *Helicobacter pylori*).

CAPITALS are **only** used if necessary (e.g. DNA).

The text is limited to a maximum of 250 words.

In case you insert a **table**, a 25 word "penalty" is added to the word count.

Tables (in the usual MS-WORD-Format) can simply be pasted into the abstract-body-field or created via the button "Create a table".

Graphics and pictures are not allowed.

If applicable, information on **grants and fellowships** must be included at the end of the abstract text (and will be included in the word count).

Please ensure that your abstract does not contain spelling, grammatical or scientific errors, as it will be reproduced exactly as submitted. **No proof reading** will be done.
